## Curriculum Consultation

Over the next few weeks we will be reviewing our TG curriculum. In school, we will be talking with the children to gather their thoughts and ideas and we would really value input from our families too. So today we are sending home, with your children, a questionnaire which we would really appreciate you taking the time to complete and send back in to school. Your opinions are really important to us and will help us to ensure that our curriculum is meeting the needs of the children. Please return by next Friday 24<sup>th</sup> May.

## KS2 SATs

This week our Year 6 pupils have impressed us all with the focus and effort they have shown whilst completing their KS2 SATs – well done to all of you! As well as recognizing the commitment shown by our Year 6, we would also like to thank the pupils and staff in the rest of the school for the positive way that they have coped with the changes to our normal routines.

Class 4 have finished the week with a post - SATs party and we are very grateful to all the families for all the delicious treats that really helped to make the morning such a success.

## Name it Please!

As the weather improves, we are collecting an increasing number of abandoned sweatshirts, cardigans and water bottles around the school. Sadly a number are not named which makes it very difficult to return them to their owners. It would be very much appreciated, if you could all make time this weekend to check that your children's belongings are clearly labelled with their names.

## Learning Overviews & Home Learning

This week we have sent home the learning overviews for this term and the home learning activities. As this half term is so short and there will be a lot happening towards the end of next half term we are only asking the children to complete one home-learning project. The hand-in dates are on the grids.

### Football Report by Emilie

On Friday 10<sup>th</sup> May the TG girls football team played a league football match at home against Claverdon. The conditions were not ideal with blustery rain and cold temperatures. Both teams began strongly, with our debut player Penny showing great determination. However, soon Claverdon took control of the ball scoring two goals in quick succession just before half time.

After a pep talk with Mr Strangwood, TG were refocused for the second half. Due to Otilie's quick reactions in goal and Lily and Poppy's great skill in defence, no further goals were conceded. Jessica's positive feeds to midfielders Emilie and Milly allowed numerous shots at goal. The final score was 2 - 0 to Claverdon and Lily was rewarded with players player. Mr Strangwood was delighted with the team's performance because of our strong tackling.

On Thursday 16<sup>th</sup> May, the TG girls team participated in a football tournament at Alcester Town Football Club. The weather was fine, we played 6, 7 minute games against: Claverdon A, Claverdon B, Bidford, Tanworth, St Marys and Welford. No goals were conceded, and no goals were scored, and as a result we drew all 6 games and finished fourth.

Overall, there were some great individual performances across the pitch and great team spirit too. TG were one of the three teams who were not defeated by an opposition. We would like to say a big thank you to Mr Strangwood and all the parents for their support at both of these events.
