Parents Evening

By now you should all have received your appointment confirmation slips for next week's parents' evenings. If you haven't, please check your children's book-bags; you can also contact the office to confirm the time of your appointment. We look forward to meeting with you.

School Games Mark 2016-17

We are delighted to announce that we have achieved the School Games Mark Bronze Award for the 2016/17 academic year. The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

We are extremely proud of our pupils for their dedication to all aspects of school sport, including those team and house captains, school staff and our families, leaders who have all helped to make our involvement in sporting competitions possible. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and extra-curricular sport, and we are pleased that the hard work of everyone at our school has been rewarded this year.

Teacher Training Day

A reminder that next Friday, 20th October, the school will be closed for teacher training. We will reopen after half term on Monday 30th October.

PTA Barn Dance

The PTA have been working really hard in preparation for the first ever TG Barn Dance which is taking place tomorrow, Saturday 14th October, from 5-8pm.

Transport Consultation

Warwickshire County Council is considering a number of changes to the current Home to School Transport Policy. Parents/carers, children and young people, professionals and other members of the public are being asked to comment on the proposals. Full details of the proposals can be found at: www.warwickshire.gov.uk/ask. The website also has the link to the online survey which gives everyone the opportunity to share their thoughts on the proposals. The two main consultation areas focus on proposed changes to:

- Nearest Qualifying School
- Unsafe Walking Routes

This may have an impact on families who use (or are intending to use) local authority buses to transport children to high school.
