### Changes to Wednesday routines

This week, there will be no maths marking for Classes 3 and 4 and no Forest School for Classes 1 and 2 because of our trip to Coventry Cathedral.

Timetable  
Changes

### Responsibility

We have been talking with the children about the importance of taking responsibility for their belongings and also the importance of taking care of their personal property. We are doing this because we are finding an increasing number of items abandoned on the cloakroom floors. We would very much appreciate it if parents could also encourage the children to take responsibility for their own belongings too. Little things like encouraging your child to carry their own bags in and out of school will help to make a big difference.

### TG Governors

We currently have vacancies on our governing body which we need to fill. The governors play a vital part in ensuring that our school continues to flourish, and provide an effective education for our pupils. We need new governors who are willing to take on this rewarding role and play a part in supporting the future of our school. If any parents feel that they would be interested in becoming a governor, please contact the office or speak to Mrs Hendry.

### Bug Busters

A reminder that we are asking all families to make use of the bug busting comb that we sent home last term. We hope that you will all take the time this weekend to check your family's hair for nits and treat if necessary. This way we hope to cut down on the number of outbreaks happening at TG.

### PTA Easter Raffle

Thank you for all the lovely chocolate donations this week. The PTA will be in the parent shelter Monday morning for any final contributions.

We have some amazing hampers to give away and loads of runner up prizes so please buy your raffle tickets by Tuesday morning as we are drawing the raffle Tuesday afternoon. If you need spare tickets, please let Miss Britt know.

### KS2 Tudor Day

On Monday, our KS2 children enjoyed an exciting day immersed in life in Tudor times. The children had the opportunity to try their hands at a number of different Tudor related activities such as candle making. The day provided a wonderful end to their Tudor learning. We would like to offer our thanks to all the families who supported with costume making and to all our parent helpers who gave their time so generously on the day.

### School Uniform

Over the Easter holidays, we would be grateful if all families would check that school uniforms are clearly labelled as this helps us to return lost property to the rightful owners. Also please take the time to check that PE kits and trainers/ pumps still fit comfortably.

### Class 2 Assessment Information Sessions

When we return after the Easter holidays we are planning two information sessions for Class 2 parents. On Thursday 19<sup>th</sup> April at 3:45 there will be a meeting for Year 2 parents to talk about the KS1 SATs and on Thursday 26<sup>th</sup> April, there will be a meeting at 3:45 for Year 1 parents to talk about the phonics assessments.

### Gardening

We would like to start some gardening projects after the Easter holidays and would really appreciate it if anyone is able to donate any bags of compost or packets of the following seeds:- sweet peas, nasturtiums, sunflowers, poppies, wildflower mixes, carrots, courgettes, lettuce and salad leaves.

### Star of The Week

Charlie Neill	Class 1
Thomas Vitty	Class 2
Jack Wilson	Class 3
Mia Faulkner	Class 4
