Massive Mini Church

Mrs Byrd has been working with a group of our KS2 pupils to create a scale model of St Andrew's Church. The project has been a great example of team work in action. In addition to the construction group, the creation of the model involved Y5 pupils photographing the church (we are also grateful to Mr Matthews for his aerial shots of the church) and every child in the school was involved in painting the roof tiles. As we are sure you will agree, the finished result is quite spectacular. We would like to say a huge thank you to Mrs Byrd without her ideas and support this project would not have been possible.

The model has now been delivered to Coventry Cathedral where it will be on display this weekend in the Massive Mini Church exhibition which is part of Coventry Dioceses centenary celebrations. When the model returns next week we will be arranging for it to go on display in the church.

Celebration Assembly

Due to the Class 4 PGL residential trip, there will not be a Celebration Assembly next Friday.

Well done Class 4!

Class 4 raised the amazing sum of £290 through their enterprise week project. Thank you to all our families who supported the after school sale.

PTA Film Night

Congratulations to Maggie in Class 1 who entered the winning review of our last film *The Secret Life of Pets*. Maggie's review is on the back of the newsletter. Tonight's film is Sing! And all entries for the film review should be brought into school by next Friday.
