## Training Day Reminder

A reminder that Monday 4<sup>th</sup> June is a teacher training day. The first day back for the children after half term will be Tuesday 5<sup>th</sup> June.

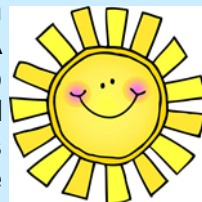

## Class 4 Enterprise Week

This week Class 4 has been a hive of activity with baking and a variety of craft making projects taking place in all corners of the school. The children have been supported by our PTA to plan and produce a range of products which they will be selling this afternoon. It has been wonderful to witness the engagement and enthusiasm of our children in what has proved to be a fantastic learning opportunity for them all. We are so very grateful to all the parents who have so generously donated their time, energies and resources this week to help make the project such a success. All profits from the sale will be used (at the children's suggestion) to provide resources for a friendship area which will be available outside at break and lunchtimes.

## Summer Weather

As the weather is getting warmer, you may wish to put sun cream on your children's arms, legs and faces in the morning before school. A hat or cap can be worn at playtime and lunchtime. Can we also request that children bring their **named** water bottles into school every day to make sure they keep hydrated whilst in school. Bottles will be filled up at lunchtimes as required. Sunglasses should not be worn in school unless this is for a specific reason and this has been discussed with the class teacher. This may be because of hay fever or eye conditions.

## Please Name it!

Please make sure that your children's cardigans and sweatshirts are clearly labeled with your child's name. At the end of every break and lunchtime we are collecting a pile of clothing that has been taken off and left on the benches; many are unnamed and we have an increasing pile of unclaimed items which we are unable to match with their rightful owner as they are not named. If you write the names onto the clothing labels, please recheck after the clothing has been through the washing machine as they are likely to fade.

## GDPR

As many of you will probably be aware the regulations regarding data protection are changing. From today, the General Data Protection Regulation (GDPR) comes into effect replacing the current Data Protection Act (1998). It is a requirement for organisations (including schools) to update their privacy notices to tell you what to expect when we collect personal information. Our updated privacy notice is now available in the policies section of our school website.

## Star of The Week

Maggie Frear	Class 1
Nicholas Jackson	Class 2
William Jackson	Class 3
Georgia McGinn	
Henry Beer	Class 4

Class 4 will be sharing their learning in Celebration Assembly on **Friday 8<sup>th</sup> June at 2.45pm**

# Temple Grafton

Church of England Primary School

25<sup>th</sup> May 2018

### Oh Yes It Is!

It's Panto time, "Oh no it isn't" we hear you cry but a summer pantomime it mostly definitely is! The Temple Grafton Village Medlers will be performing Pirates! at Temple Grafton Village Hall on Tuesday 26<sup>th</sup> June 7.30pm, Wednesday 27<sup>th</sup> June 7.30pm, Friday 29<sup>th</sup> June 7.30pm and Saturday 30<sup>th</sup> June 2pm and 7.30pm. Come along and enjoy the show, many of our TG School children will be starring along with a few familiar adult faces and maybe even members of staff! You're guaranteed a laugh or two along with yummy cake! You can order tickets directly from Jane Fisher, telephone 07590 694449. Any tickets ordered will be handed out by Miss Britt at school. Ticket prices are £5 for children 11 and under and £7 for all others (tea/coffee and cake included), all profits will go to Diabetic charities.

### Sporting Stars

On Monday, our girls' football team faced tough opposition at Tanworth School after the first two minutes we were losing 2 - 0. However, the TG girls do not give up and had managed to score a goal making it a more presentable 4-1 at half time to Tanworth. We scored first in the second half and for the next ten minutes did absolutely everything to try to score again. Near misses and saves by the Tanworth goalkeeper conspired against us. We did score again though but conceded two late goals to Tanworth giving a very respectable final score of 6 - 3.

### Double Success.

On Tuesday afternoon we had two teams participating in a Quadkids competition at Alcester. Quadkids is an athletics event involving a sprint, a distance run, a standing long jump and a throw. The whole team has to compete in all four events and points are scored based on times and distances - as in a decathlon. Our teams were superb and, as you can see from the results, won both competitions.

Year 3/4
