Attendance

Whole School Attendance Year to Date - 96.4%

We've maintained last week's, just above target, figure.

Collective Worship - Thankfulness

Over this half term we will be concentrating our focus on the virtue of *Thankfulness*:

- Kapsabet, Kenya – making links
- The Ten Lepers – show thanks
- Deaf Awareness Week – communication tips
- Coronation of King Charles III

Safeguarding

To help you keep abreast of all the games that are out there and making the right choices for your children to have a positive relationship with technology, we have attached internetmatters.org 'Amazing games guide for families' with this week's newsletter.

Class 3 Mary Arden's House

As part of their history learning, Class 3 spent a day last week exploring Tudor life and had the most fantastic day. They had the site all to themselves and returned to school bursting with all the details and information gleaned from the experience. Our thanks to all the parents who supported the trip, all of whom were impressed by both the quality of the opportunity and the behaviour of all Class 3 children.

SATS Preparations

Over the last three weeks, our Year 6 children have been working hard to re-visit and revise their learning in preparation for their Standard Assessment Tests (SATs), which take place next week. Mrs Pellet-Ward has commended them for their diligence and maturity as they have worked through past papers and also, continued their revision at home, practising their skills to make sure they feel ready and confident when sitting the tests next week. We are all very proud of them, knowing that they have given of their very best – we couldn't ask any more of them.

Coronation Picnic

We all hope that King Charles III enjoys the same good fortune that we did today with the weather for our Coronation lunch. We had a lovely time picnicking together on our school field, with the sun shining down on us and all our school family sporting red, white and blue in honour of the occasion. In the afternoon, all classes designed and made bookmarks to commemorate this historic event and each child went home today with a very special envelope – a gift from our wonderful PTA – containing wildflower seeds... allowing them to grow even more memories of their days here at TG.

Bikeability

Our Year 5s spent last week learning the rules of the road and fine-tuning their cycling skills. The team from WCC working with them were very impressed with their confidence and their good manners too! They all passed grade 2 with flying colours and received their certificates and badges in last week's Celebration Assembly.

Bank Holiday

We wish you all a very happy bank holiday weekend and look forward to seeing you all on Tuesday, 9th May

PTA

We hope you have all enjoyed Treat Friday - it was class 3's turn to help this month and they certainly didn't disappoint. I for one cannot wait to scoff Kelly's beautiful pre-order creations too! Thank you so much!

Rags to riches went well again, Sooz reports we had fewer bags this time but nice and heavy so a solid £85 made. Next one will be in September so please continue to keep collecting and saving your unwanted items for us.

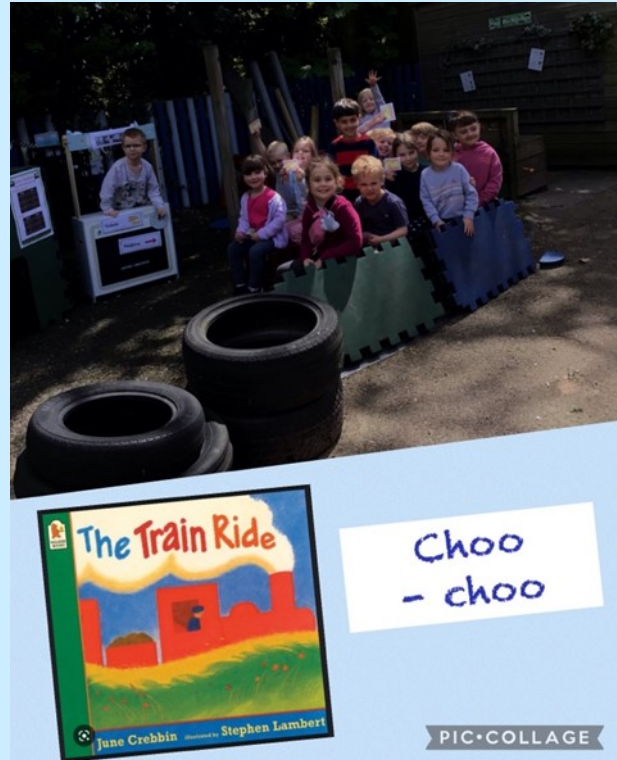

Upcoming we have our fabulous film night on Friday 19th May for the children and our very exciting pamper evening on the Thursday 18th May for the grown ups. A night out and mini body shop pamper for just £10 is certainly not to be missed. Feel free to invite your friends too, just email: ptatemplegraston@gmail.com to book.

Thank you!
