### Heart of England Forest Visits

Next week the children in Classes 2, 3 and 4 will be visiting the Heart of England Forest at Middle Spenal - 16/3 Class 3, 17/3 Class 2 and 18/3 Class 4. The children will need to bring packed lunches and come dressed in their forest school clothes. Please make sure that the children have plenty of warm layers as they will be spending the day outdoors. **There will be no forest school for Class 2 or Class 1 on Wednesday next week.**

### Share the Miracle

Once again this Easter, we will be supporting the 'Share the Miracle' initiative which aims to help build stronger communities through acts of kindness. We would like to invite our school community to donate chocolate Easter eggs and we will arrange for them to be distributed through our local foodbanks in Alcester and Evesham. Eggs can be brought into school anytime between now and the 31<sup>st</sup> March. More information about the initiative can be found at [www.sharethemiracle.org](http://www.sharethemiracle.org)

DESIGNED FOR KINDNESS

### Keeping Healthy

We have been really impressed with how brilliantly the children have taken onboard our learning about hand washing and managing how we sneeze this week. As a result we are getting through our supply of tissues quite rapidly. If any families have spare boxes of tissues that they are able to donate to school, we would be very grateful to have them.

We are attaching, with the newsletter, the updated guidance we have received from Public Health England today which outlines the advice for self-isolation in the event of high temperatures and/or a new continuous cough.

### SATS Parent Information Sessions

On **Tuesday 24<sup>th</sup> March Year 6** parents are invited to meet with Mrs Gray, in Class 4, at 3.45pm to share information about the end of KS2 SATs assessments that will be happening during May. Mrs Hendry will be on hand to supervise the children on the playground (weather permitting) to enable parents to attend.

On **Tuesday 31<sup>st</sup> March Year 2** parents are invited to meet with Miss Taylor, in Class 2, at 3.45pm to share information about the end of KS1 SATs assessments that will also be happening during May.

Further meetings will be arranged for after the Easter holidays for Year 1 parents to share information about the Y1 phonics assessments and for Year 4 parents to share information about the multiplication check that take place in June.
