Ava Broadbent	Class 2
Mia Dean	Class 3
Oscar Gould	Class 4

**Class 3** will be sharing their learning in **Celebration Assembly** on **Friday 6th March** at **3pm**

### World Book Day Potato Challenge

We will be celebrating World Book Day next Thursday 5<sup>th</sup> March. This year we would like to invite the children to create a 'potato' book character to share with the school. Children can choose a character from one of their favourite books (or from a well-known traditional tale) and decorate a potato to look like their character using whatever materials they wish. Potato characters should be brought into school on Thursday morning – accompanied by the book if possible. All potatoes

will go on display and the children will have the opportunity to identify the characters. We hope that this is something that the children will all enjoy doing and will give us an opportunity to celebrate books and reading across the school.

### Reading for Pleasure

We have been delighted to receive our first donations of sponsored books which will shortly be making their way into the classrooms. There are still titles available if anyone is interested in sponsoring a book for the classrooms. Please get in touch with the office to find about which titles are still on the lists.

### Coronavirus

This week we have shared with you all the updated advice from Public Health England regarding Coronavirus and schools. Whilst there is no suggestion that TG is at risk of an outbreak, we feel that it is good practice to promote good hygiene to limit the spread of all types of infection. Over the coming weeks we will be talking with the children about hand washing and about 'super sneezes' (respiratory hygiene). We are sharing two posters with you today, that you may find useful at home.

### Save the Date - Social Media & Children's Wellbeing

Please accept our apologies for any confusion over the date - the session will be held at 7pm on **Monday 23<sup>rd</sup> March** at TG school.

### Rags 2 Riches

Quick reminder from the PTA for you to bring in your Rags2Riches bags full of donations on Monday ready for collection. If any extra bags are required please let us know! Thank you!

### Home Learning Tasks

Next week we will be sending out the home learning tasks for this half term. Homework will be due back in the week beginning 23<sup>rd</sup> March.
