World Book Day

We will be celebrating World Book Day on Thursday 5th March. This year we would like to invite the children to create a 'potato' book character to share with the school. Children can choose a character from one of their favourite books (or from a well-known traditional tale) and decorate a potato to look like their character using whatever materials they wish. All potatoes will go on display and the children will have the opportunity to identify the characters. We hope that this is something that the children will all enjoy doing and will give us an opportunity to celebrate books and reading across the school.

Reading for Pleasure

Thank you to the families who signed up to sponsor a book on parents' evenings this week – your support is much appreciated. If there are any families who have yet to sponsor a book but would like to do so there is still time! Details of all the titles will be posted on our Facebook page and are available from the school office.

Save the Date - Social Media & Children's Wellbeing

One of our parents, Dr Victoria (Toya) Smalley, Senior Clinical Psychologist working in CAMHS (child and adolescent mental health services) in Worcestershire, has very kindly offered to deliver an information session for parents on the impact of social media on young people's mental health and well-being and ways that as parents you can support your children.

The session will be held at 7pm on Monday 24th March at TG school. Further details will be shared nearer the time.

Sporting Stars

Congratulations to all our Y5 and Y6 pupils who took part in the Cross Country event at the Croft School on Saturday. We are delighted that 3 of our TG pupils, Amelia, Harry and Marijke have been selected to represent South Warwickshire in the County Championships in March.
