Anti-Bullying Week

This week the school has taken part in activities as part of the UK's anti-bullying week around the theme of All Different – All Equal. We have been thinking about, identifying and celebrating the differences we see in our lives whilst recognising that there is much we have in common. We all agree how important it is that we all feel valued and included in school, able to be ourselves, without fear of bullying. Along with this week's newsletter, we are sending home some information and advice for parents about how to support your children created by the anti-bullying alliance.

Class 1 Phonics Meeting

A reminder that next Tuesday evening at 5-6pm, Miss Woodhouse will be meeting with Class One parents to share information on how we teach phonics. Mastering phonics is a vital step in the development of early reading and writing skills and we hope that Class 1 parents will be able to attend. The meeting will be held in Class One.

PAT Testing

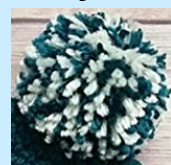

A reminder that on Tuesday, the electrician is visiting the school for our annual PAT testing of all electrical devices. If you have anything electrical which may be used at PTA events, such as fairy lights, please bring into school on Tuesday morning. It is important that all items are clearly labelled with your name.

Celebration Assembly

A reminder that we will be holding celebration assemblies at 9:10 next Friday, 24th November, and again Friday 1st December. On 24th November there will be whole school focus on sharing Science learning and on Friday 1st December Celebration assembly will be held in the morning to allow the PTA to set up for the Christmas Fair in the afternoon.

Can you help us?

We will be entering the Bidford Christmas tree competition again this year and hope to create a tree made out of pom-poms. We would welcome any donations of green and or sparkly wool for the children to turn into pom-poms.

Star of The Week

Felix Roberts	Class 1
Gabriel Rawlins	Class 2
Maddison Brinkworth	Class 3
Henry Spiers	Class 4
