St. Andrew's Church

END OF TERM

SCHOOL NEWSLETTER - Issue 9

School Photographs

We hope that you have all had the opportunity to look at the school photographs taken on Wednesday. If you would like to order copies of the photographs, please send in the completed forms and payment (in the envelope provided) by next Wednesday, 13th November. Any orders that you wish to make after this date will need to be sent directly to the photographer and there will be a late order fee of £4.

Mad Science

We are pleased to inform you that we have received sufficient interest in the Mad Science club and the first session will be taking place on Wednesday 27th November. The session will be held in Class 4 and will run from 3:30pm – 4:30pm. Children should be collected from the Class 4 outside door. We hope that all of our budding young scientists, who have signed up for the club, will have an exciting and rewarding time!

Donations Please!

Mrs Beysens and Mrs Uttley are developing the outdoor learning area for Class1 and they have plans to create a 'mud kitchen'! We would be very grateful for the donation of any old unwanted saucepans and kitchen utensils that the children could use to create their mud recipes.

We would also like to acquire some logs to create seating areas outside. We are looking for both longer logs, where three or four children could sit together, and shorter pieces that we could use as 'stools' for individual children to sit on. Please let us know if you could help with this.

Volunteers Needed

From time to time there will be occasions when we would appreciate help with jobs such as laminating resources and book covering. If anybody would be willing to put their name forward as a potential volunteer, please let the office know. Volunteers would need to complete a DBS check (the new name for the CRB check) . Tea, coffee and biscuits will be provided!

Morrison's Vouchers

Please could you all have a good hunt round this weekend for any stray Morrison's Let's Grow vouchers. We would be very grateful if you could send the vouchers into school on Monday so that we can get them counted and submit our order by the end of the week. Thank you.
