PTA catch up meeting in

school

Sat 3rd 10am

Cross Country at The

Croft Y5/6

Our musicians will be sharing their talents in Celebration

Assembly on Friday 16th

February at 2.45pm

Parents' Evening

By now you should all have received your appointment confirmation slips for next week's parents' evenings. If you haven't, please check your children's book-bags; you can also contact the office to confirm the time of your appointment. We look forward to meeting with you.

Cash Payments

We would like to remind families to make sure when cash payments are sent in to school they must be in a named envelope. When 'loose' cash is handed over to Miss Britt on the door it makes it very difficult for her to ensure that she has correctly checked off your payments.

Safer Internet Day

This week we have been supporting Safer Internet Day. Children in all classes have been learning about ways to stay safe when using the internet. The website www.saferinternet.org.uk has lots of useful information for children and families about staying safe online. With our newsletter this week we are sharing some of the resources for parents that were provided by the website this week.

TG Village Defibrillator

On Wednesday 14th February, we will be joining with our local community to support the Saving Hearts Foundation who have provided the recently installed defibrillator which is sited at the village hall. The foundation is also providing training on the use of the defibrillator. This is a very welcome addition to our village; having access to a defibrillator increases the chances of survival from cardiac arrest by over 70%.

We would like to raise awareness by asking the children to bring spare coppers or coins to school on Wednesday 14th February, so that they can enjoy creating a giant copper heart. (These don't have to be in a named envelope!) We would then like to donate the proceeds to the charity as a thank you for all of their support to our community.

Pancake Day Races

We will be holding our pancake races in school on Tuesday 13th February. Please send in a cooked pancake and a frying pan with your child next Tuesday. Please make sure that all frying pans are clearly labelled with your child's name.

Star of The Week

Maggie Frear	Class 1
Wilf Bond	Class 2
Kaian Sargent	Class 3
Emilie Ross	Class 4
