Considerate Parking

The safety and well-being of our pupils and families is of utmost importance to us all at TG. The improvements that were made to the pedestrian access routes to the school have really helped us all to feel much safer arriving and leaving school. We have noticed that in recent weeks there are an increasing number of cars parking on the corner opposite the school on Croft Lane very close to the junction. As I hope you can appreciate, parking in this location causes a significant hazard to both pedestrians trying to cross the road and to vehicles approaching the junction along Croft Lane. We would very much appreciate everyone's support in ensuring that this area is kept free from parked cars.

Class 1 Mud Kitchen

The children in Class 1 have been busy making plans for a mud kitchen. This week they presented the office with carefully written shopping lists and recipes for the mud pies they would like to create. If anyone has any spare cooking utensils or old pots and pans, Class 1 would be happy to put them to good use in their mud kitchen.

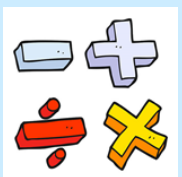

Year 6 SATs

We would like to wish all of our Year 6 pupils the very best of luck in their SATs assessments next week. We are very proud of the positive attitude they show towards their learning and all the hard work and effort they have put in to their preparation.

Maths Homework

Please note that because of the Y6 SATs we need to make changes to the timetable and we will not be marking maths homework on Wednesday. Children will have 2 weeks to complete their current page ready for marking on Wednesday 23rd May.

Class 4 Enterprise Week

In the week before half term, Class 4 pupils will be undertaking an enterprise project. With the help of a small start-up loan from the PTA, they will be creating different products which they plan to sell after school on Friday 25th May. Further details will be shared by Class 4 nearer the time.

Can you help?

We have recently received a set of phonic cards to support spelling. Before we distribute them to the classes, they need to be laminated. If anyone could spare some time to come in and do some laminating, please let the office know.

Mental Health and Wellbeing

Next week is Mental Health Awareness Week (14-20th May 2018) and Warwickshire County Council is encouraging all Warwickshire residents and workforce to think about their own mental health and wellbeing and to seek support if they are struggling to cope. Mental health problems affect 1 in 4 people every year, yet too often people are afraid to talk about their experiences or to seek help. There are a range of services available across Warwickshire to support people who may be experiencing difficulties with their mental health; this may include those who are struggling to cope, feeling anxious, low or stressed.

Services can support in a variety of ways, including: face to face support, an on-line community support network, self-help books and telephone support. The website contains lots of information on support available for Mental Health and Wellbeing: www.warwickshire.gov.uk/mentalhealth

Star of The Week
