SCHOOL NEWSLETTER - 16th May 2014

The New Website is here!!!

After many months of hard work behind the scenes, we are delighted to announce the official launch of our new school website. The web address remains unchanged www.tgschool.co.uk but when you visit the site you will find a brand new updated website which we hope will provide you with all the information you need about our school and our community. The website is also accessible

via tablet and smartphone. It is our intention that the website will be the main information hub for the school.

Over coming months, there is still work to be done to populate areas of the site and we know that we will need to continue to refine and improve the content. We would really welcome your thoughts and feedback on the new site – both the positives and suggestions for improvement.

We would like to express our gratitude to Mrs Taylor for all her hard work and dedication in creating the website and to Mr Stammers for the fantastic photographs.

Medlers

Hopefully you all enjoyed the parsnip's promotional visit after school last Wednesday! For further chances to see this amazing creation -and the rest of the cast- please come along and support next week' Medlers production of Arthur, Queen of the Britons. Tickets are available through the school office. **Drama Club is on as normal next week.**

PTA Cake Sale

Next Friday the PTA will be holding a cake sale. We are asking for donations of cakes, cup-cakes, tray bakes etc to be brought into school Friday morning. At home time, all items will be available to purchase on the playground. If successful we hope to make this a semi-regular event, running one cake sale each half term on the last Friday before we break up. All money raised will go towards our iPad fund.

Second Hand Uniform

Would anyone be willing to volunteer to manage our second hand uniform? We have a range of items which we would like to offer to families. What we need is someone who could set up a stall in the parents' shelter one afternoon each half term so that families could see what is available and make their selections. We would just ask for a donation to school funds for any items taken. Please let the office know if you would be interested in taking this on.
