Events at Alcester
Academy

SCHOOL NEWSLETTER - 6th June 2014

Football Fever

This half term the children in all four classes will be basing much of their learning around the theme of World Cup. The teachers have been planning lots of exciting activities to support the children's learning across the curriculum. As well as football related activities we will also be finding out about the host country, Brazil, and the other participating nations. Learning Overviews will be published on the school website next week.

Samba Time!

On Tuesday we launched our World Cup learning with a Samba drumming day. Scott, a professional drummer, from a company called Primary Workshops came into school and led Samba drumming and dancing sessions with each class in turn. We all had an absolutely fantastic time as the school was filled with Brazilian beats and Samba rhythms. Look out for photos coming soon on our website.

Hay Fever

The pollen count seems to be particularly high at the moment and we have several children suffering with itchy eyes. If you know that your child is affected by hay fever please make sure they have taken their medication in the mornings. If they need an additional dose during the day, please complete the medication consent form (which is attached with the newsletter on the email) and send in with the medication and we will make sure it is taken at the appropriate time.

PTA Sweep Stake

The PTA are running a World Cup sweepstake. If you would like to take part with the chance to win £50 please look out for the PTA mums on the playground at the end of the day, alternatively send your money in a named envelope to the school office and we will pass it on.

PGL

It is with great excitement that Class 4 children arrive in school today as the much anticipated residential weekend trip to PGL Boreatton Park starts this afternoon. We wish them all a safe trip. Our thanks to all the staff who are giving up their weekend to accompany the children.
