END OF TERM

SCHOOL NEWSLETTER - 2nd May 2014

Responsibility

The Christian value that we will be exploring this half term is **responsibility** which we are linking to our Golden Rule '**We look after property – we don't waste or damage things**'. We will be encouraging the children to think about the importance of taking responsibility for what we say and do, for using our time and our abilities well and of the responsibilities we have to do our best for the good of others.

New Lunch Menu

Please note the short turn around time for next half term's lunch order. Please can we have orders in by Wednesday 7th May.

PE Kit

This weekend please check that all PE kit items are clearly labelled with your child's name. We are discovering several items where names have now washed out and it is difficult to match them back up with their rightful owners.

Forest School Volunteers Needed!

We would really like to have some additional adults to support Mrs Uttley and the children in Forest School. If you like the sound of having fun in the outdoors and you would be able to volunteer on a regular (or semi-regular) basis then please let the office know and Mrs Uttley will get back in touch with you to discuss what's involved.

Class 4 PGL

The final instalment for PGL was due at the end of April. Please send the final payment into school as soon as possible.

A Message From Reverend Ruth

It's Cafe Church this Sunday at St Laurence's Church, do come and join us for coffee, cake and worship. Unlike our other Sunday morning services this is at 10.30 am so time for a slower start as well.

Congratulations!

We are all very proud of our parent and school governor, Annie Maltby for completing the London Marathon at the start of the Easter holidays. Well done Annie!

Thank You

★ We would like to say a huge thank you to Miles from Vale Gardens Ltd, Badsey and Suttons Seeds for the kind donation of seeds.

★ Plastic Bottles

★ A plea from Mrs Uttley. Please could you collect any empty plastic bottles and bring them into school. They are needed in our garden as protection for our young plants.
