SEPTEMBER

- Mon 7th**
AUTUMN TERM STARTS

Class 4 will be sharing their learning in **CELEBRATION ASSEMBLY** on **FRIDAY 19th June** at 2.45pm.

Sporting Stars

This has been a very busy week on the sports front!

On Tuesday, Temple Grafton's netball team went to St. Nicholas' school to compete in a tournament against four other schools.

Our first match was against Salford Priors, we beat them 9-0 with some amazing goals, scored by Sophie and Fleur, who were supported faultlessly by the rest of the team.

Next we played Studley, St Mary's and unfortunately, lost 4-1, due to their quick and sharp movements.

Soon afterwards, we won 6-1 against Coughton. Once that match was over, we were gathered to hear the results for the grand final...

We came second! In the final we played Mapplebrough Green, who also came second in their league, and won against them 3-0. This was a very tough and competitive game, but we kept our cool!

We would like to thank Mrs Gray and all the parents who came and supported us. Also, we would like to say a special thank you to Candise for stepping in at the last minute and being an essential part of the team.

Report written by India

On Wednesday it was the turn of our football team to play in the South Warwickshire finals of the football tournament. The boys played five games, winning three and losing two. The results were very close and TG came a very commendable third. Thank you to all the parents for their support and Mr Strangwood for coaching the team.

Thursday saw our TG tennis team taking part in a tournament at Henley. The players did their very best and came third overall. We are very grateful to Mrs Francioni for supporting the team.

Fit for Life

On Monday we welcomed a group of students from Stratford College who came to perform a play about healthy eating. The children all enjoyed their entertaining performance which gave valuable information on the importance of exercise and a balanced diet.

Parking

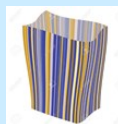

We have been asked to make you aware that there is going to be a wedding at St Andrew's Church next Friday at 2pm. Parking will be particularly busy at home time and we have been asked to avoid parking on Church Bank or in the Church car park next Friday afternoon.

KNEX

Last week Class 4 enjoyed a fantastic morning working on the KNEX engineering challenge set by Coventry University. The children worked in pairs to design and build a model of a piece of playground equipment which had to include certain key features such as a slide and swing. The winners of the competition will be going through to the finals at Coventry University in July. Our lucky finalists are Matthew & Isaac, Oliver & Finn-William. Photos of the children's models will be appearing on the website shortly.

PTA Lucky Bags

Class 1 & 2 are bringing home their lucky bags today, due to the number of Class 3 & 4 children being out at Arden Area Athletics this afternoon, they will bring theirs home on Monday. See the recent PTA letter for ideas on how to fill the bags.

Star of The Week

- Clementine Roberts Class 1
- Vinnie Marro Class 2
- Sam Endicott Class 3
- Megan Shearn Class 4
