Warwickshire Libraries Summer Reading Challenge

Over the Summer Reading Challenge, we ask each child to read at least 6 library books. They can be any books they like- novels, fact books, joke books, e-books and audio books, they all count- and your library staff can help your children choose books they will really enjoy.

As they read their books, each child will receive collector cards that make up a set to complete their folder. Each card features an original piece of Quentin Blake artwork from a classic Roald Dahl tale, as well as some fun activities on the reverse. These build to become a unique record of your child's Summer Reading Challenge, and a great way to mark Dahl's centenary. Some cards feature fun SCRATCH and SNIFF smells for young readers to discover. Kids are going to love collecting these.

Parents say: It inspired my son to read over the summer when he was losing interest in reading at school.

Teachers say: Children usually drop a reading level when returning to school after the summer. After the Summer Reading Challenge, they often are a level ahead!

Starts Saturday 16th July across Warwickshire Libraries, as well as story and craft events. It's all FUN and FREE!
