Class 4 will be sharing their learning in **Celebration**

Assembly on Friday 23rd June at 2.45pm.

Class 3 Camp Out

Last Friday our intrepid Class 3 Pioneers spent a night under canvas on the TG field. With the support of Compass Adventure, Mrs Yorke organised a 24 hour adventure camp for the Class 3 children. The camp was a huge success which the children enjoyed immensely. We are all very proud of the positive and enthusiastic way that the children engaged with all the activities and challenges that they met. We are very grateful to Mrs Yorke for organising the event and to Miss Britt, Mrs Gray Mrs Shearn and Mrs Hendry for giving up their time (and their sleep!) to enable the event to happen.

Good Diabetes Care in School Award

We were thrilled to receive the news this week that our school has received the Good Diabetes Care in School Award in recognition of all that we do to support TG children with Type 1 diabetes and make sure they get the most out of their time at school. This award has been earned, in no small part, due to the fantastic care that both Mrs Shearn and Miss Britt provide for our Type 1 diabetic children.

Coats in School

During this period of unsettled weather, we ask that all children bring a raincoat to school. This will enable them to go out to play in light showers without getting their uniform damp.

Morning Drop Off

Just a reminder that doors open at 8:45 and that this is when we accept responsibility for your children. Families who arrive at school before this time are reminded that they are responsible for their children and need to ensure that their child is being supervised by an adult until 8:45.

PTA Summer Fair

Thank you to all the families who have signed up so far to support the Summer Fair. If you have not yet done so and are able to help out that would be fabulous! Simply pop your name down on your favoured stall. Ideally, we would love people to take ownership of the stall (arranging other people to help out, sourcing any equipment needed etc), but if this isn't something you feel you could commit to, your help solely on the day is still very much appreciated.

We will be having a meeting at school from 1.45pm, on Friday 24th June to move our plans forward. If you would like to come along, we'd love to see you there!

Thursday 14th July will be mufti day – more details on what to bring will come from the PTA.
