## Heart of England Forest

This week Classes 2, 3 and 4 have all enjoyed taking their learning outside of the classroom and into the woods. Class 3 were the first class to go to Middle Spenal and in spite of the rain had a great day identifying plants and seeds in the forest and grassland and looking at different forms of seed dispersal. On Tuesday, Class 2 identified signs of autumn, and explored the forest through the 'eyes' of a mini-beast. Class 4 had the opportunity to explore different species of animals and trees found in the forest. We would like to thank all our volunteers who accompanied the children.

## POSTPONED - Bug Busting

Our delivery of new bug-busting combs has been delayed so we will be postponing our bug-busting date until the new combs arrive.

## Parents Evening

By now you should all have received your appointment confirmation slips for next week's parents' evenings. If you haven't, please check your children's book-bags; you can also contact the office to confirm the time of your appointment. We look forward to meeting with you.

## Teacher Training Day

A reminder that next Friday, 26<sup>th</sup> October, the school will be closed for teacher training. We will reopen after half term on Monday 5<sup>th</sup> November.

## Golden Rules Day

Next Wednesday, 24<sup>th</sup> October, we will be holding a whole school focus day on our Golden Rules. As part of the day, children will be working in mixed class groups on craft projects to create new display boards representing each of our six Golden Rules. We would very much welcome additional adult help on the day. If you are able to volunteer for the morning, then please let the office know.
