ISSUE - 10

Good afternoon

As we come to the end of the hottest week of the year so far, I would like to thank all the families who have responded to our email regarding transition visits for Years 2, 3, 4 and 5; we are very much looking forward to the opportunity to meet with the children and hope that will help to support their transition back into school in September. Also to the email to gauge interest in a potential summer holiday club – we will be looking through your responses and make a decision as to the viability of offering a club early next week.

Free School Meal Vouchers

As you may have seen in the news this week, the Government have extended Free School Meal provision to include the summer holidays. If you think you might be eligible and would like to receive supermarket vouchers over the summer please apply online at

<https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals>. The

process is very quick and, as soon as we have confirmation your application has been accepted we can apply for the vouchers on your behalf.

Year 2 Teams Meeting

Next Thursday afternoon at 1:45, Mrs Yorke will be arranging a Teams meeting for our current Year 2s to talk about life in Class 3. Y2 families will be able to access the session in the same way as you join the weekly Teams catch-up.

We will be setting up Teams meetings for Years 4 and 5 to meet with Mrs Pellett-Ward in July.

Teams Catch-Ups

Our Teams meetings for Years 2 to 6 will be at the following times next Friday:

Year Group	Times
Year 2	9:30
Year 3	9:30
Year 4	10:30
Year 5	1:30
Year 6	2:30

Wrap Around Care

By now you will all have received the provisional wraparound details for the Autumn term. We very much hope to be running a modified service in line with the protective measures that will be in place in September. Bookings can be made either via School Money or by returning the booking forms to the office.

Key Worker Childcare

As many of you know, TG has been open every week since 23rd March (without exception) to provide childcare for the children of key workers. The childcare provision will end on Thursday 16th July. I would like to thank all the TG staff who have worked tirelessly to ensure that the children in school have been well cared for and safe over this extremely challenging period.

Class 1 and Year 1 Home Reading Books

Next week we will be sending home a further pack of reading books. Once again, we would like you to return the books you have been sharing this week in the plastic ziplock bag. The collection box will be situated next to Miss Harvey on the bottom playground for Class 1 and under the tree on the top playground for Y1 on Monday morning.

Thank you to all the families who have emailed in photos of the comments recorded in the reading diaries; it is really helpful to the class teachers to share your feedback. Please do take photos of the comments you have written again this week and email it to the class teacher:

tgmissharvey@gmail.com or tgmissstaylor@gmail.com

The teachers will make contact with you where needed.

Forest School

We plan to take each group across to use the Forest School site again this week following the same schedule:

Class 1 Monday & Thursday

Y1 Rainbow Stars Tuesday

Key Worker Kids Wednesday

Crucial Crew Thursday

Our advice to families is that we would prefer children to be dressed in a long sleeved top and long trousers/leggings when they visit forest school. Having arms and legs covered helps to minimise the risk of stings and scratches which are uncomfortable for the children and also necessitate close contact between staff and children to administer 1st Aid.

Drop-off and Pick-up Windows

A reminder that in the event that you arrive early, we would appreciate it if you would wait inside your car until it is time for your window to start, this way we can maintain the separation between the bubbles.

We would also like to remind families that we have asked you to leave promptly once you have dropped off and collected your children so that the pathway outside school is kept clear for people to have the space to circulate safely and to minimise contact between the class bubbles.

Group	Key Worker Kids	Crucial Crew	Y1 Rainbow Stars	YR
Drop Off	8.45 - 8.55	8.55 - 9.05	9.05 - 9.15	9.15 - 9.25
Pick Up	3.20 - 3.30	3.10 - 3.20	3.00 - 3.10	2.50 - 3.00
