## ISSUE - 5

Good afternoon

This week has seen us working on our plans to implement the DfE guidelines on reopening schools; this is proving to be a complex process to ensure that we have all the appropriate safety measures in place. At present I am working with my fellow school leaders across the MAT, the TG staff and governors to complete our risk assessment; once complete this will enable us to understand what provision we are able to offer. I will be writing to you all next week to update you. On behalf of all the TG staff, I would like to thank you all for the unwavering support and appreciation you have shown us during this difficult time.

### Teams Class Catch-Ups

Next week's Catch-up sessions will be at the following times:

Tuesday 19<sup>th</sup> May **Class 3** Year 3 1:00, Year 4. 2:00

Wednesday 20<sup>th</sup> May **Class 1 Green team** – 1.30pm; **Blue team** – 2pm, and **Red team** – 2.30pm and **Class 4** Year 5 10:00; Year 6 11:30

Thursday 21<sup>st</sup> May **Class 2** Year 1 10:00, Year 2 11:00

### Teams Home Learning Assignments

Once again we would like to say a huge thank you to all the children who have shared learning with their teachers through their Class Teams Assignments tab. It gives all the teachers a real boost to be able to connect with the children and provide feedback directly on their endeavours.

We would encourage all families to support their children to share one thing each week with their class teacher as this is an invaluable means of maintaining their connections during the time we are not together in school. What you share can be linked to the learning projects or, if you have been following your own interests, you are also able to upload your own photos and files to the assignments page using the **+ add work** at the bottom of the page. By doing so through assignments, it helps staff to be able to respond to the children.

Please note that once an assignment has been submitted, the option of adding work is no longer available for that week's assignment. If you wish to add more after 'turn-in', or have accidentally submitted it too soon, just email your class teacher who will then return the work; once it is complete, just turn it in again.

### White Rose Maths

If any families are unable to print the White Rose maths work sheets, please contact school and we can arrange paper copies for you to collect. Worksheets for all year groups are available on the TG families Team page.

### Spring Bank Holiday

School will be fully closed to all children on Monday 25<sup>th</sup> May.
