Adopted: July 2023

Review Date: July 2026

1. Aims

- 1.1 As part of our curriculum we want to ensure that our pupils have an understanding of. This will be taught in the context of what it means to be a responsible member of the wider community.
- 1.2 Our PSHE scheme (Jigsaw) ensures all lessons are planned to reflect the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs. All Jigsaw lessons contribute to one or more of these values in some way.
- 1.3 We value the diverse ethnic backgrounds of all our pupils and their families and plan a variety of events and learning experiences to celebrate them.
- 1.4 We cover diversity across our curriculum, teaching our pupils to learn tolerance and respect for all.
- 1.5 We celebrate national events that reflect important landmarks in shaping our nation.
- 1.6 We will actively challenge pupils, staff or parents expressing opinions contrary to fundamental British Values, including 'extremist' views.
- 1.7 Our school has collective worship on a daily basis which uphold traditional values of empathy, respect, tolerance and reflect the Christian ethos.

2. Democracy

- 2.1 Democracy is core to our school ethos.
- 2.2 Pupils have the opportunity to have their voices heard through class representatives on the school council.
- 2.3 We also promote democracy through our collective worships and through focus days linked to our curriculum.
- 2.4 Elections for any representative council are undertaken in each class where every child has a vote.
- 2.5 Pupils are always encouraged to express their opinions and we foster an environment where children are safe to disagree with each other

3. The Rule of Law

- 3.1 The importance of laws, whether they be the rules that guide the class and the school, or the Rule of Law, governing the country, are consistently reinforced in our expectations throughout every day.
- 3.2 The school's 'Moral Code' is displayed in each class and around the school and is reinforced by all members of staff.
- 3.3 There are visits from the local Community Police Support Officers that reinforce the idea that there are laws that govern our land which are in place to protect us.

4. Individual Liberty

- 4.1 Within school, pupils are actively encouraged to make choices about their learning and their behaviour.
- 4.2 Through pupil discussions and reflections we encourage the children to develop a vocabulary to talk about their learning and their behaviour.
- 4.3 We provide children with the opportunities to make choices in a safe environment. Pupils are encouraged to know and understand their personal freedoms and responsibilities and advised how to exercise these safely through, for example, e-safety discussions, class and whole school assemblies and extra-curricular activities.

5. Tolerance of those of Different Faiths and Beliefs

- 5.1 We enhance pupil's understanding of their place in a culturally diverse society by celebrating the range of rich cultural heritages we have in school, in the local community, in Temple Grafton C of E Primary School and in Great Britain.
- 5.2 We celebrate the richness of our culturally diverse country through R.E. lessons, collective worship, through music and dance.
- 5.3 Pupils of different faiths or religions are encouraged to share their knowledge to enhance learning and discover similar themes in their religions to Christianity such as Charity.
- 5.4 As a school, we support many charities and national fund raising events and these are discussed during collective worship.
- 5.5 PSHE, RE and collective worship stimulate discussions around prejudices and prejudice based bullying. Within our curriculum, opportunities exist to challenge prejudice.
- 5.6 Pupils visit our church, learning stories from the Christian faith and how to promote Christian values. We also study in RE places of worship from other religions, spiritual leaders, customs and traditions to help learners understand similarities and differences to the Christian faith and understand tolerance and respect for different customs.
