

MY LEAVERS REFLECTION

Introduction

Hi! My name is Aaryan and I have been at Temple Grafton since Reception. These are my most memorable moments from my time at TG.

Memorable moment

My first memory is of a boy called Thomas who showed me around. I was one of the first eight children to join and we all wanted to go on the two-seated bike.

In Class 2, I can remember that on Seb's birthday we played a football tournament in which we came second. It really was so much fun. Thomas (the same boy mentioned above), didn't get picked for the tournament got angry with the rest of us. He was very competitive. Also, there was a girls vs boys war/ tag shenanigans in which Tom, Seb and I were neutral.

One of my most vivid memories was in Class 3. We had a teacher called Mr. Strangwood who was the teacher on Wednesdays and taught maths, science and P.E. and he introduced me to Cracking Times Tables and I got up to around level 17.

Of course, in Class 4, we had PGL we did activities, such as the giant swing, abseiling and archery which were all great fun. Then when we went to bed, we had little feasts in our rooms – but don't tell the teachers!

Conclusion

I am going to miss all of my friends at TG who have helped me throughout the years and I hope they have fun at high school and thank you to all of the school staff who have also helped me for 7 years.
