

My Time at T.G!

Introduction

My 7 years at TG have flown by so quickly! I have loved every second of my time here and this fact is purely down to my friends and amazing teachers. TG has helped me on my way to high school and helped me to be the best I can be. Here at TG, you feel like you are a part of one big happy family.

First memories

I remember my first memory, when I first joined Temple Grafton. It was my first week and we were watching Alcester Rock Academy and my friends and I were rocking out and jumping up and down with are buddies. We were having the time of our lives. This year, when Alcester Rock Academy played for us, my Reception buddy and I went crazy (well, mostly Ollie and my really good friend Georgia). But the best part was singing along with the songs and having fun with my friends.

Funniest memories

One of my funniest moments was during this year's sports day - one of my favourite events. It happened in the last race, 'The RELAY'. Everyone was putting their 'all' into the race, but Chestnut were winning and when Archie, a member of the Chestnut team, was running the last 100 metres, he was so pleased because he thought he had won. But then I, a Sycamore member, came sprinting behind him and caught up with him. Suddenly he noticed that I was behind him and we both dashed to the finish line, where I came in 2nd place. But the best part about that race was Archie's face; it was hysterical and I could hear my family cheering me on all the way.

Conclusion

All the friends and friendships I have made at TG are friendships I will keep forever. I would like to thank all my teachers and friends for what they have done for me over the past 7 years. Again, I would like to mention that this year has been a year I won't forget. All the memories here at this amazing school will stay with me forever. TOGHER WE SHINE!
