

## Bob is Leaving

### Introduction

*It only seems like yesterday when I joined the school at the end of Year 1, but here I am in Year 6, on my last day. Where has time gone? Anyway, I guess I should start the synopsis of my life as a TG pupil.*

### First Memory

*All I remember from my first day is walking through the front door and into Class 2, which is now Class 4, where I was greeted by many, many smiling faces and people waving.*

### Funny memories

*There have been so many ridiculous memories, I have no clue where to start. I remember at Class 3 campout we figured out how to open the window the window on the Teepee and we yelled completely random things to the other tents. Another memorable thing is when we went bell boating, Isaac put his beanie (a type of hat) on the middle of the boat and it got flung by the wind into the river so by now it may have reached the Irish Sea.*

### Friends

*I have made endless amounts of friends at T.G, including my brilliant buddy Evie, my friends from older years like Jack Wilson, Yash Thapliyal and AJ Brown. I want to thank all my Year 6 peers for being with me during the highs, lows and the middles.*

### Conclusion

*I am so sad that I am leaving school and having to say good bye to some of my good friends. On the other hand, I am so excited to be going the Alcester Academy with Isaac. So, all that is left for me to say is HASTA LUEGO, TEMPLE GAFTON*
