My time at T.G has FLOWN by and I wish I had a few extra years to go. I started off by joining at the end of Reception, being nervous, scared and worried, but as I progressed through the final term, I gained more and more confidence. As I've made my way through the last 6 and a half years at TG, I haven't just improved academically, I have also made many friends and good memories on the way.

#### **FUNNY MOMENTS**

Let's start in Class 3. I remember in year 3, when we were all playing Brainbox with Mr. Strangwood and he asked Where might you find an oasis?' and Kit being the hilarious friend that he was at the time, loudly exclaimed, 'IN MACDONALDS!' That wasn't the end of my time in Class 3 of course, for we had the Class 3 Campout to enjoy. The highlight of it had to have been when we talked all night, until the teachers came to check on us, in which case we all pretended to be fast asleep. Unfortunately, in the morning it was raining SO HARD, that nobody wanted to leave their tent, in the fear of getting wet.

### **FRIENDS**

I've made loads of friends too in my time at TG, such as: Seb, Isaac, Bob, Aaryan, Harrison, Charlie and I've made progress academically, socially and physically.

# **CONCLUSION**

I have loved every second at TG and although I'm excited for high school, I will miss everyone.

# Goodbye TG
