

# My journey in TG!

## Introduction

*I have been in this school for nearly 4 years and I have made a lot of amazing friends and memories. I have loved being in this school; it's an amazing school. It's welcoming, friendly, funny and plenty more.*

## Memories

*One of my favourite memories is when Hollie and I were in Year 4 and we were on the top playground playing spas. Hollie fell back and she put her hand in bird poo but didn't realise it and then wiped her hand down her face. Another memory is when Clementine, Hollie, Alice and I used to pretend we broke our arms and used our cardigans as arm slings.*

## Conclusion

*My time in TG has sadly come to an end and I will always remember my memories and my journey in TG. I will always remember my buddy's smiling face. Good luck, Cobie, on your TG journey! ☺*

*Goodbye TG!*
