

## My time at TG

My time at TG has been amazing. I have made many funny memories and good friends.

One of my funniest memories at TG (there have been lots) was in Year 4 when all of my friends were walking around the bench as if we were on the catwalk!

One of my most embarrassing moments was when we had a supply teacher and because I was swinging on my chair he gave me a stool instead then Mrs Shearn made a whole speech about it and during that speech I fell off the stool.

Another special memory is when we went to Spermal for the weekend. We played a game called popcorn and we had to get the balls off the parachute. I got a splinter, then a blister and it was very painful. And, just a reminder, NEVER go in a tent with Ella - SHE SNORES!

My time at TG has been amazing, I also want say thank you to all the teachers who have helped me through the years, even with all of my chattering.

This has been an incredible journey!
