

What it means to be a pupil in TG

By Stella

My time as a TG pupil has been a joyful and memorable one. I can't believe how time can fly, especially in the last 2 years. This school has been like home to me and like a house you move onto another one still keeping the memories close to heart.

Friends

Over the time in TG, I have gained lots of friends, some I shall remember forever. As well as gaining, I have lost some friends only because of them moving to different schools.

Funniest memories

Well, I have a habit of saying 'damn' whenever we are in difficulty or have a terribly long L.O to write. After hearing me say this for the 4th time, (I said it a lot because we had a hard task and a three lined L.O), Carlee said 'Stop saying damn, child'. This made me respond, 'I'm older than you, child'.

Teachers

I would like to thank all the teachers who taught me all these years and made me learn so much. I would also like to thank Mrs. Pellet-Ward who taught me that spelling isn't an impossible task.

Overall

I still can't believe I am leaving in less than a month, these 7 years have been a whirlwind. I would also like to mention my buddy, Charlie, who has flourished in this school without my help. I will miss everyone in year 6. I am looking forward to going with Amelia to SGGS. Au revoir, TG. And thank you!
