Dear Parents & Carers,

Following my recent correspondence regarding the Parent Governor election here at TG, we have received nominations from three parents, one of whom is a current governor standing for re-election further to their first four-year term.

The candidates have provided personal profiles outlining their motivation and suitability for election to the position. The Governor Page on the School Information area of the school website outlines the responsibilities of governors; I would recommend that you read the profiles and look at the website before making your decision.

Below is the link to a Microsoft Forms voting form where you will be able to select the candidate whom you feel to be most suited to the role. You will need to supply your name and email address to ensure fair process, but only the returning officer, our Chair of Governors, Cathy Barron, will view this detail. Both parents/carers in each family will each have a vote.

The deadline for voting is 6 p.m. on Friday, 2nd December 2022. We will be able to announce the name of the successful candidate on Monday, 5th December 2022.

Thank you for your contribution to the important work of our school's governing body and the vital role it plays in ensuring we meet our strategic objectives.

Best wishes,

Mary Gray
Head of School
