Collective Worship - Justice

Themes in our Collective Worship this past week, led by teachers:

- The story of the Two Brothers and the difference between Equality and Justice
- Justice for our planet – Here We Are – Oliver Jeffers

We are also sending home a Home School Values sheet which has a wealth of activities linked to this half-term's value focus this week. You will also be able to find it on our web site [here](#).

Safeguarding

internet matters.org

I tripped over this over the half term and thought it a handy tool for any parents seeking advice on digital safeguarding and internet safety: https://www.internetmatters.org/digital-matters/modules/?user_type=parent

Maths Information Evening

A big thank you to all our families for coming along to our maths information evening this week. It was wonderful to see parents and children exploring maths apparatus and problems together and learning that we are all mathematicians; we have officially banished the phrase, 'I was no good at maths either'!

You can find Mrs Yorke's opening PPT on our website [here](#)

World Book Day

We had a wonderful assembly yesterday morning, celebrating the joy of reading and the life-time well-being value of reading for pleasure. Our children's costumes were magnificent and set the tone for a day of exploring books. We also launched our **PTA Legacy Book Appeal** and we are now looking forward to welcoming new books to school, adding your children's name to them in recognition of the gift of reading and learning they will be passing on to the school community for years to come.
