

30<sup>th</sup> September 2019

Dear Parents

As it's the start of a new academic year and we have a few new families to the school, we wanted to send out this request for information as to how you might be able to help with PTA events.

The events that the PTA put on really are a case of many hands make less work, and if we know that we have a few extra people that would be willing to help out at even one event per year, it may make all the difference. We are not asking you to come to every committee meeting, or to help out at every event, but just to be part of a team that can keep this great organisation going.

The events that we put on are not just an opportunity for the children to have great fun, they make a significant financial contribution to the school to allow our children to benefit from many extra resources such as ipads, forest school, swimming, pantomime day and much more.

The PTA has a dedicated Facebook group and we utilise Whatsapp messaging to help organise events and co-ordinate volunteers, so if you could also indicate your consent to be added into those we would be really grateful.

We've enclosed a sheet for you to complete and return as soon as you can so that we can update our files as to who is available, and for which events. Even if you have previously completed this form, we would ask you to please do so again so that we can make sure our contact sheets are up to date – thank you so much!

Many thanks, in hope of your support

TG PTA

## I can help at Temple Grafton PTA events

Name.....

Parent of ..... Year.....

Telephone Number (if joining WhatsApp group)

.....

Would you be happy to hear about and possibly contribute to events by  
 Facebook group; or  
 WhatsApp group?

	I can help to co-ordinate the event	I can help out on the day	I'm happy to be a back up if there isn't enough help	I'm happy to join the WhatsApp group to volunteer if I am able
<b>Film Nights</b>
