

19th May 2014

Dear Parents

As the first hints of summer are starting to arrive, I thought that this would be a good time to remind you all of our expectations regarding summer uniform and staying safe in the sun.

Uniform

During the warmer weather children may wear summer uniform.

Girls: a royal blue checked or striped summer dress, white socks (ankle or knee length) and flat black shoes.

Boys: grey shorts, white polo shirts, plain grey socks (no logos, patterns or characters) and flat black shoes.

As always, we encourage the children to take pride in their appearance and wear our uniform smartly.

Sun Protection

At playtimes and lunch times in hot and sunny weather we encourage the children to take regular breaks in the shade.

When sunny weather is forecast, we recommend that you apply a factor 15+ sun screen to your child's skin before they come to school. We also suggest that your child comes to school with a hat which will provide protection from the sun. As with all uniform please make sure that it is clearly labelled with your child's name. Children should not bring sunglasses into school unless they have a medical reason why they need to wear them. If this is the case, please let us know in writing.

We encourage the children to drink water throughout the year and this is particularly important during periods of hot weather. Please ensure that your child brings their water bottle to school every day. Bottles are refilled with fresh water at lunchtime by our Year 6 managers.

Kind Regards

Mrs S Hendry Head Teacher
