

13th May 2014

Dear Class 1 Parents

When we return after half term, the children will be starting their last half term in Reception and we will gradually begin to prepare them for the transition to Class 2. A key part of the preparation is encouraging the children to become more independent and to take responsibility for organising themselves.

As part of this process, we will be making some changes to the drop off and pick up routines as follows:

In the mornings we would like you to say goodbye to the children at the door to the classroom and encourage them to come inside independently. They will then be responsible for hanging up their coats and bags and settling down to the morning activities. This is the routine the children will be following when they come into school through the main children's entrance in September. Obviously Mrs Beysens will be available if you need to speak to her at this time if you need to pass on any messages.

At the end of the day, Mrs Beysens will be walking the children round onto the main playground to meet you in the same way as the rest of the school. The children will stay with Mrs Beysens until you approach to collect them as it is really important that we know they have been handed over safely.

We thank you in advance for your support. If you have any queries about the changes to the routines, please do not hesitate to contact Mrs Beysens or myself.

Kind Regards

Mrs S Hendry
Head Teacher
