This year we signed up to the Hotshots Intra-School Football Campaign to provide young people with the opportunity to play football. We have provided opportunities for all year groups to be taught football within the PE curriculum, all of KS2 took part in a intra House Football tournament, two extra- curricular football clubs have been offered with one focussing on girls' football. Finally, year 5 and 6 boys and girls have had the opportunity to represent the school in various football festivals. From our data entered we were entered into a national prize draw in the small school's category to receive a share of the £1500 prize fund if we finished in the top 3:
