Temple Grafton C of E Primary Report: 2022.23

Our Vision for PE and Sport

At Temple Grafton C of E Primary we believe that P.E., physical activity and sport play an important role in the development of our children. Regular participation in P.E., sport and physical activity leads to improved physical and mental health and wellbeing, better levels of concentration, a good learning attitude, all working together to support academic achievement and personal fulfilment. We aim to encourage a lifetime love of sport and physical activity, setting a habit for health and fitness, and sense of personal responsibility for their own well-being. Through P.E., sport and opportunities for physical & outdoor activity within our curriculum, our children will also embed our school values: respect, nurture, collaboration and inspiration, as well as the core British Values of tolerance, mutual respect, individual liberty and the rule of law.

How do we encourage a love of P.E., sport and physical activity at our school?

We enter into many different sports competitions and tournaments. We aim to enter into a wide range of sports to encourage different children and abilities to be active and keep fit. We take part in: multi skills, , indoor and outdoor athletics competitions, rounders, cricket, netball, football, rugby and swimming. We have made links with our local tennis club this year, giving the children the opportunity to work with qualified coach and our children have spent a day with All Stars Cricket, learning a range of active skills. By the time our children leave they will all have had the opportunity to learn rowing skills through Bellboating and to feel confident to ride a bike on a road as a result of working with outspoken Training. To encourage a love of sport for enjoyment and competition, we strive to provide opportunities throughout the year for children to compete with each other and push themselves with events such as: cross country, football and netball tournaments and athletics competitions. We have house teams across the school, the culmination of the year's sport being celebrated at our annual sports day. We also run a number of after school clubs, including netball; football; gymnastics; rounders, and dance.

What is the Sports Premium?

Since March 2013 the Government has been providing additional funding to primary schools to support the improvement of provision of PE and sport. The funding is ring-fenced and can only be spent on PE and sport in primary schools. The amount allocated to each school is calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual school's census. The head-teacher and governors are accountable for the spending of the funding. The premium must be used to fund additional and sustainable improvements to the provision of PE and sport and physical activity. It is to benefit primary-aged pupils and to encourage the development of healthy, active lifestyles.

How is the Sports Premium used at Temple Grafton C of E Primary School?

Our aim is to spend the Sports Premium in such a way that it has a direct and sustained improvement on the long-term sports provision in the school, as well as the long term health and well-being of our pupils, supporting them to adopt healthy and active lifestyles. We are utilising the Primary PE and Sport Funding to improve the value and breadth of our PE and sport provision by: continually improving the quality of teaching and learning in PE; encouraging our pupils to be active, promoting healthy lifestyles to realise the positive impact this will have mental health and well-being, and competing in a wide range of sports activities and tournaments.

The five key indicators where improvements should be seen are:

1. The engagement of all pupils in regular physical activity, aiming for 30 minutes a day within school time.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Listed in the grid below are the projects that are being funded by the Sports Premium for this academic year:

Record of the PE and Sport Funding spending and planned spending by item/project for 2022.23			
Amount of Sport Premium Received: £16,960.00			
Below is a breakdown of how this money is being/will be spent:			
Item/project	Cost	Objective	Intended Outcome
Replace damaged sports equipment	£1,375.94	Update the sports equipment so that teachers are fully and appropriately resourced when delivering the national curriculum and extra-curricular activities.	The PE curriculum is being delivered and teachers take full advantage of the resources available to them.
Transport to competitive sports fixtures	£565	Participation in competitive sport	Children have the opportunity to take part in a range of sporting competitions & access to extracurricular sporting opportunities, including competitive matches with other schools. Children grow in confidence, working as part of a team, building their resilience in the face of challenge.
Playground development project	£700	Encourage exposure to the natural environment in a way that is designed to encourage active play and movement	Children develop a sense of physical and emotional well-being, learning the benefits of the outdoors and active play.
Outdoor music and movement equipment	£4,365.00	Create an environment outdoors that will stimulate physical activity, including movement and dance with children creating their own music to accompany	Broaden the experience children have of how to engage in physical activity giving them the opportunity to respond to music, making their own range of movements and dance
Enrichment Day	£920	Opportunity for children to experience a range of activities e.g. archery, bhangra	Broader range of sport/activities offered to all children
Sports Coaching	£500	Provide targeted coaching sessions and clubs to involve and encourage all children, including those who are least active	Children grow in confidence, working as part of a team, learning the benefits of regular physical activity and team sports.
Bell Boating	£150	To introduce children to a new type of sporting activity and water rescue. The school pays entry fees for the bell-boating regatta.	Children of Year 5 and 6 are exposed to a new sport allowing the school to have a team to compete in the area regatta.
Increase confidence, knowledge and skills of all staff in teaching PE and sport	£295	Keep an up-to-date sports' planning resource so that teachers are fully and appropriately resourced when delivering the national curriculum and extra-curricular activities.	The PE curriculum is being delivered and teachers take full advantage of the resources available to them.
Add replacement playground markings and update unsafe surfaces to support broader range of activities available all day to pupils in EYFS	£3349.50	To provide a range of active trails and movement template and court markings.	Increase children's physical well-being and agility.
Outdoor fitness equipment	£3,500.00	Active outdoor gymnasium for children to develop fitness habits.	Increase physical well-being and set habits for developing a fitness regime and confidence with gym equipment
Archery equipment	£999.00	Develop confidence and skills in a new discipline	Build confidence and a positive attitude to different types of sport
Orienteering equipment	£194.19	Develop confidence and skills in a new discipline	Build confidence and a positive attitude to different types of sport
Total Spend	16,913.63		

Swimming

90% of our 2022.23 Y6 cohort can swim confidently, competently and proficiently over 25 metres.

Pupil Voice

School Sport

- 'I've played football and athletics and it has made me feel proud representing my school.'
- 'Sports hall athletics. i loved it because when I was competing I could hear all my friends cheering me on.'
- 'I have played several different sports at my school, this includes: football, cricket, netball, hockey, rounders, athletics, sprinting, hurdles and the daily mile. I think sport is important because it gives you a sense of adventure and energy. This way some children can enjoy burning of non-used energy. I love football and playing it means I can enjoy school in many different forms. Sport is an important way to learn especially for younger children who might struggle, I find sport to work very effectively and I am sure that as well as myself other children enjoy sport too.'
- 'It felt really good but scary representing the school. It meant a lot to me being able to do that.'
- 'It's very good and it meant that i can explore more sports.'
- 'I have played Sports hall athletics and I really enjoyed it it meant a lot to me because everyone joined in and had fun I loved doing long jump and running.'

Enrichment Day

- 'Personally I, enjoyed street dance the most because I am used to a different style of dance.'
- 'I enjoyed enrichment day because you can learn more talents that you can do and it is always great fun!' :)
- 'I enjoyed enrichment day because I had lots of fun with my friends and it taught me Glamba drumming.'
- 'I enjoyed it because it was a fun chance to learn new skills i learnt how to play glow in the dark dodge ball.'
- 'I have chosen all of these for one particular reason all of which includes being yourself and having fun. When doing activities like dodgeball for example you can cheer your team mates on while supporting their decisions on where they throw the ball. But all are particularly good at these things.'
- 'I LOVED enrichment day because it was SUPER FUN I learnt street dance moves and Glow in the dark dodgeball was the best because there was so much excitement.'
- 'I felt that glow in the dark dodgeball has taught me to eb more aware of others and their feelings.'
- 'We do different sport every term so if there is a sport that some of us don't like, we will have a different one next and look forward to that.'
