Class 3

1. Optional. This could take place on the day that the new Reception children come to have their Teddy Bears' Picnic in June/July.
2. Not all children have Ipads so it might not be fair. Chn already have the opportunity to bring in IPads at the end of term.

Class 4

1. We have enough playground equipment already. Also, too expensive
2. In class listening should not be punished by events that happen outside of school, but if you are disrupting the event, then after a warning you might not be allowed to participate next time.
3. Not appropriate for a whole school event
4. This already happens
5. This might encourage negative behaviour
6. Boys' bathroom improved, but the girls' bathrooms need a deep clean. SC to speak to Mrs Yorke
7. At Year 6's request, this has already happened
8. SC to discuss with MDS
9. This is already happening
10. This is a summer thing and will therefore happen in the last term.
