

## Literacy and Reading

The focus will be on developing the children's reading, writing and grammar skills. Every week the children will read their book with an adult and Year One pupils will have a daily phonics session and Year 2 pupils will focus on spellings.

We will be looking at a range of different non-fiction and traditional texts to support our topics including:

Neil Armstrong, Ameila Earhart  
The Storm Whale  
Seaside + Coastal Poems

## Science -

### The Apprentice Gardner

We will continue to identify plants, name their parts, and observe seasonal change. We will learn that plants need water and sunlight and will also understand that plants grow from bulbs and seeds, learning the sequence of germination, and comparing and contrasting the requirements of germinating seeds with those of mature plants to maintain healthy growth.

### Take Care

We will also be beginning to learn about different ways to keep ourselves healthy and will consider the importance of eating a range of different types of food.

## PSHE

Our learning for the Summer term will be Relationships and Changing me.

We will explore how we interact with one another and changes that occur to us over a short and longer period of time.

## Temple Grafton C of E Primary School

Class 2 Summer Term 2024

### Numeracy

As mathematicians we will be learning and mastering skills relating to:

- Length and height
- Mass, volume, capacity and temperature
- Multiplication and division
- Fractions
- Place value
- Time
- Position and direction

### Art and Design Technology

**Art** - Create simple three-dimensional shapes and structures by manipulating paper and card.

**DT** as design technologists we will be exploring windmills and design and construct a windmill, looking at how they work and their key features.

## RE

**How and why do we celebrate special and sacred times**

**Who is a Muslim and what do they believe?**

We will learn about different religions and spiritual ways of life. Through art, drama and music the significance of these celebrations to believers is explored focussing on story, symbol and particular celebrations.

## Geography & History

As Historians we will identify important events surrounding the history of flight and explain how significant events have changed the lives of others. We will use primary resources and ask questions about people and events in the past correctly ordering events on a timeline.

As Geographers we will name and locate the seas the seas and oceans surrounding the UK using compass points. We will define what the coast is and locate coasts in the UK naming some of the physical features of coasts. We will identify human features in a coastal town and describe how people use the coast. We will record data using a tally chart representing this data in a pictogram.

## Computing

We will be using simple spreadsheets and looking at technology outside of our school.

## P.E.

**Athletics:** we will work on improving our running, jumping and throwing skills  
**Bat and ball skills:** We will play cricket and tennis to develop fundamental skills such as balance, co-ordination, catching, throwing, striking and kicking.

## Music

Children will be exploring pulse and rhythm (All About Me) and vocal and body sounds (By The Sea).
