17<sup>th</sup> November 2014

### Class 2 Design Technology Project

Dear Class 2 Parents

As part of our farm topic, we will be doing a design technology project to design and make a fruit and or vegetable salad. In order for us to complete this work, I would like to ask for your support in the following ways:

- 1) I would be grateful if all the children could make a donation of £2 towards the cost of ingredients.
- 2) Please complete the permission slip for your child to taste the different types of fruit and vegetables that we will be investigating.
- 3) I would really appreciate some extra adult help in the classroom for our cooking sessions on the **morning of Friday 28<sup>th</sup> November**. If you or a member of your family is able to help please let the office know.
- 4) We also plan to be doing some collage work making portraits with images of fruit and vegetables. I would be grateful if you would start and cut out any pictures of fruit or vegetables that you come across in magazines or catalogues. Any old gardening catalogues would be particularly useful. We will need them in school in the week beginning 8<sup>th</sup> December.

Thank you for your support

Mrs Hendry

-----  
I give permission for my child \_\_\_\_\_ to take part in the fruit and vegetable tasting session.

I enclose a contribution of £2.

Signed \_\_\_\_\_
