W/C 11th May

Orienteering Event

We enjoyed a fun-filled morning at the central and south Warwickshire Orienteering event, with 15 schools taking part.

TG children joined three activities:

- Orienteering
- Scavenge hunt
- Team games.

They solved riddles before racing around the course to find bees, returning for the next clue each time. Team TG solved 18 riddles and found 15 bees.

The team games included memory tasks and a relay to make a face.

Orienteering proved the trickiest, with map reading and marker finding.

The children worked in three teams:

Team 1 – Elijah, Oliver, Ethan, Thoren;

Team 2 – Leo, John, Arabella, Fern;

Team 3 – Scarlett, Sophie, Evie, Olivia.

Their teamwork shone all morning, and they finished runner-up in the Riddle/Scavenger Hunt.

Mrs Campbell

Formula One Visit

We had an unforgettable experience visiting The Williams Racing, Formula One Factory in Oxfordshire on Tuesday.

Our children were immersed in an inspiring day of learning and excitement, taking part in a fully guided tour of the world-class facilities and gaining a fascinating behind-the-scenes insight into Formula One engineering.

They especially loved testing their skills on the F1 simulator, tackling an engaging STEM design challenge, and getting hands on by designing and creating a nose cone for a Formula One car.

We are incredibly proud of our TGP children for their enthusiasm, creativity and brilliant participation throughout this memorable experience!

Online Safety Session

In case you missed it, here's the link to our Online Safety Parent/Carer Session from last week.
