

# What's on Weekly

W/C 29th June

## How TGP Stayed Cool This Week! ☀️

With temperatures soaring above 30°C, it was important for us to stay safe, comfortable, and still enjoy our learning.

Throughout the week, we adapted our routine by taking parts of our lessons outdoors, making the most of the cooler shade while continuing to engage in hands-on activities.

Class 3 took part in some fantastic hands-on learning this week. They explored how to filter out microplastics and developed their understanding of how we can help keep our environment clean as part of their science studies

We also found creative ways to keep cool such as dipping our feet into refreshing cold water trays! Of course, no hot week would be complete without some well-earned treats, and the children certainly didn't mind enjoying plenty of ice lollies!

A huge thank you goes to Mrs Drake, Mrs Campbell, and Browns Food Stores for their kindness and generosity in providing ice lollies for everyone.

Your support helped keep spirits high and smiles wide during the heatwave.

We are incredibly proud of all our children this week. They showed great resilience, positivity, and adaptability in coping with the hot weather while continuing to learn and have fun.

## Next week...

Tuesday: Girls' Just Play Tournament
