Dear Parents/Carers

### **Re. School Money payments direct to school**

We have been running School Money for 6 months now and what a success it has been. Thank you for your support whilst ironing out initial setup problems and I hope you find it beneficial to use. The process of receiving money is much more efficient and secure. It works very well for us too.

There are unfortunately small transaction charges made by the host company which for the first 6 months we have carried. Unfortunately we are unable to sustain support for these charges. With effect from September, the following charges will be applied to your payment:

- Credit Cards 1.65% + VAT per transaction
- Debit Cards 32pence + VAT per transaction

We hope that you will find these costs relatively small and that the service continues to be of value to you.

Kind regards

**Clair Willies**
