Class 2 Design Technology Project

Dear Class 2 Parents

Next week, we will be doing a design technology project to design and make a Christmas stocking. In order for us to complete this work, I would like to ask for your support in the following ways:

1) I would be grateful if all the children could make a donation of £1 towards the cost of materials.

Please send in a named envelope

2) I would really appreciate some extra adult help in the classroom for our sewing sessions on the **morning (10:45 – 12.00) and afternoon (1.15 – 3.30) Wednesday 16th December**. As many extra hands as possible would be appreciated to help with needle threading, cutting out etc. If you or a member of your family is able to help please let the office know; indicating if you are available morning or afternoon – refreshments will be provided!

Thank you for your support

Mrs Hendry

**If you, your child or any member of your family have difficulty in accessing the school and/or the school's facilities and services,
please contact the School Office for assistance.**
