

Welcome to your
Compass Adventure camp

Class 3 Camp Out
Friday 10th - 11th June 2016

What is Compass Adventure?

We provide your school camp, in your school grounds!

Our Core Activities

Bushcraft	Campcraft	Team	Medical	Create	Games
Light fires, make bread, eat bugs and generally act like a mini Bear Grylls!	Make camp, cook your grub, melt marshmallows on the fire & sleep out...	Unique experiential learning activities cleverly disguised as fun stuff.	Basic wilderness first aid for kids. Learn to help an injured friend or make a stretcher.	Use natural materials to bring out the Picasso or Pollock in everyone.	Fun time! Play unique games that create a great vibe... and burn off some energy.

What Compass bring

- ✓ Everything except... food and sleeping bags (though Compass provide sleeping mats)
- ✓ You'll receive a full kit list
- ✓ You'll also receive your blank camp flag that needs decorating
- ✓ Learn a Sun Dance but be ready for the great British weather

Safety Matters

- ✓ 20+ years experience in delivering safe and fun outdoor activities.
- ✓ We are members of The Institute of Outdoor Learning and Learning Outside the Classroom Council.
- ✓ Our camps take place in the safe environment of the school grounds and students are always supervised.
- ✓ We have a robust and proven safety framework in place that includes detailed Risk Assessments and Safety Operating Procedures.
- ✓ Enhanced DBS/CRB checks in place for all our staff

Which TG adults will be there?

- ✓ Mrs Yorke
 - ✓ Mrs Hendry
 - ✓ Mrs Gray
 - ✓ Miss Britt
 - ✓ Mrs Shearn
-
- ✓ Compass have two members of staff on site throughout.

Food

- ◉ Friday evening meal - “fish and chips” from chip shop - choice
- ◉ Breakfast - sausage and bacon- favourite cereals
- ◉ Lunch - bread, ham, jam or cheese on white or brown bread
- ◉ Snacks - For example... crisps, biscuits, funsize chocolates, fruit
- ◉ Drinks - water and squash

Class 3 Classic Camp

- ✓ Our camp will include bush craft, working together and listening skills, camp fire, kin ball and a water rocket race...

Team Navigator

Leonardo's Bridge

Much more

**Tower of Power ♦ Reality Check ♦ Comminuc8 ♦ All Adrift
Speed Ball ♦ plus many more...**

Games

Kin-Ball

Water Rocket Race

Other questions?

How will the children be grouped in the tents?

* Class 3 girls will all be in one tent. The boys will be split between two other tents; they will be with at least one person of their choice.

When is bedtime?

* Compass staff finish their activities for the evening around 9pm when the children will begin settling down.

What are the wash and toilet facilities?

There will be 24 hour access to the school toilet and wash facilities. Each campers' tent will have night lights in them; the teacher tent will be well lit so they will know where to go. Mrs Hendry will be in her office for the night too.

Will there be a midnight feast?

* Unfortunately, no.

Medical issues

* Please ensure we are informed of any medical issues relevant to the campout prior to the day and medicines are handed in that morning. We have Mrs Shearn on site and Compass provide a qualified First Aider with a fully stocked first aid kit.

Also, please ensure we have the correct contact numbers for Friday night into Saturday.

When will it finish?

* We will de-camp ready for pick-up at 3pm on the Saturday.

Testimonials

Exceptional - Brilliant day from start to finish. The activities were fun and very engaging for all ages. There were also great cross-curricular links with the science curriculum and some great vocabulary learning for the children. I would recommend that all schools access at least one of these days - the learning was fantastic. *Headteacher, North Ormesby Primary School, March 2014*

Brilliant - A big thank you to you all for providing our school with a truly amazing experience that exceeded expectations, and one that I know the children will never forget. They have not stopped talking about it! We found both the camping and activity day well organised and resourced and offering a good variety of learning experiences. I have already drawn on the team building activities as an example to improving group work within class. *Teacher, Newhall Junior School, September 2013*

Unforgettable - The whole experience was absolutely brilliant. The staff are extremely friendly and are very confident when ensuring the children know what they are doing, with the child being aware they have to be safe. All our children enjoyed the experience and parents also took the time to comment and say it was clear the children had fun. *Teacher, Wadsworth Field Primary School, July 2013*

Outstanding Learning - Despite the weather you encouraged us to stay positive and made sure the kids enjoyed every minute. Loads of positive feedback from kids and parents and lots wanting to take their family camping! *Teacher, Staveley Primary School, May 2013*

Thank you and
have a great
camp!!
