Dear Year 5 Parent/Carer,

Year 5 Core Curriculum Day at Alcester Academy

Over the last term, we have been working closely with your son/daughter's primary school in order to arrange a visit to Alcester Academy in the summer term. We hope that this visit will begin to break down any worries about starting secondary school next year whilst also providing a fun curriculum day for them too. There are currently over one hundred Year 5 children joining us from across the area.

We have arranged the visit for **Monday 3rd July 2017** and hope that the following information will be of use:

- The day will begin at 9.15am and end at 3.15pm. Children from St Nicholas Primary School and Great Alne Primary will walk to the academy together under teacher supervision. All other children need to be dropped off at the Academy please. Ensure that you arrange a clear pick up point for the afternoon. It can get quite busy outside school.
- Staff from each primary school will greet the children at the academy upon arrival. They will stay with the children throughout the day. If your child has any severe medical needs/allergies or special educational needs, it may well be useful to inform the academy in advance. Thank you. sarahmellors@alcesteacademy.org.uk
- Children will need to wear their primary school uniform. They will need to bring a packed lunch with them for the day. A drink and snack for morning break time is also advisable. There will be a limited canteen service running if children wish to bring some money to buy food. We strongly recommend that the children bring a craft apron with them for a 'creative' science session.

Other than these details, we hope that the children have a superb day with us looking at Maths, English and Science related topics. Please do not hesitate to contact the Academy if you have any further details.

Yours sincerely

Mrs S. Mellors
Deputy Headteacher
