Weds 1/11/17	Weds 20/12/17

Your child is in Group 1

KEEPING WARM! A reminder about what the children need to wear.

It is important that the children are comfortable and not worried about getting their clothes dirty. We don't let the weather stop us having fun but it is important that we are suitably dressed. Thanks to the PTA we are able to provide waterproof dungarees but each child will need a waterproof coat (That will get muddy!) for every session. Everyone will also need a long sleeved top & jumper/fleece, long trousers, hat, gloves and wellies. It is very important that the children stay warm so layers are the order of the day. Oversized wellies with thermal socks work well but if your child already has snow boots or walking boots they are ideal.

Consent Form

As we will be going off site we would ask you to fill in the consent form and medical details and return this to the school office by Monday 11th September 2017.

If you have any questions or concerns about your child taking part in this programme please do not hesitate to get in touch via the school office.

Kind regards
Sarah Hendry
