Mrs S. Hendry  
Headteacher

Dear parents/carers

Schools have been asked to gather information from their parent community regarding key workers. The purpose of this information request is to identify families that the school may be asked to support during the forced school closure so that key workers can continue to do their jobs.

Please **only complete** this form where **ALL adults in the household** are key workers, although we have not yet received guidance as to what a key worker is.

Please could this be completed by 10am Friday 20th March so that we can plan accordingly.

Many thanks

Mrs Hendry
