

Dear TG Families

We understand that many of you will have questions about the weeks ahead; please be assured that we are passing all the information we have along to you. We will be passing plenty of information via email and the school's Facebook page over the next few days.

As I am sure you can imagine every member of the school staff will be working very hard to ensure that the next two days are as smooth as possible. To assist us with this please try to avoid phoning the school unless absolutely necessary today and Friday.

We would like to achieve something positive on Friday itself as our last normal day of operations. To that end, we are inviting the children and staff to come to school in colourful and cheerful clothing in exchange we would like you to send in (if possible) an item of tinned or packet food which can be distributed to those who need it most by the local food bank. We know that everyone is anxious about the current climate but we would like to try and do something as a school community to help people who need it most.

Thank you for your continuous support
