

PE and Sport Premium expenditure:

Temple Grafton C of E Primary Report: 2019/20

Our Vision for PE and Sport

At Temple Grafton C of E Primary we believe that P.E. and Sport play an important role in the development of our children. Regular participation in P.E. and Sport lead to improved physical and mental health and wellbeing, better levels of concentration, attitude and academic achievement. We aim to encourage a lifetime love of sport and keeping fit and encourage children to be the best that they can be.

What is the Sports Premium?

Since March 2013 the Government has been providing additional funding to primary schools to support the improvement of provision of PE and sport. The funding is ring-fenced and can only be spent on PE and sport in primary schools. The amount allocated to each school is calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census. The head-teacher and governors are accountable for the spending of the funding. The premium must be used to fund additional and sustainable improvements to the provision of PE and sport. It is to benefit primary-aged pupils and to encourage the development of healthy, active lifestyles

How is the Sports Premium used at Temple Grafton C of E Primary School?

Our aim is to spend the Sports Premium in such a way that it has a direct and sustained improvement on sports provision in the school, not only for the current pupils of the school but also for future pupils. We are utilising the Primary PE and Sport Funding to improve the quality and breadth of our PE and sport provision through improving the quality of teaching and learning in PE, encouraging our pupils to adopt healthy lifestyles and taking part and competing to a high level in a wide range of sports activities and tournaments.

The five key indicators where improvements should be seen are:

1. The engagement of all pupils in regular physical activity, aiming for 30 minutes a day within school time.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Listed in the grid below are the projects that are being funded by the Sports Premium for this academic year:

Record of the planned PE and Sport Funding spending by item/project for 2019-20

Amount of Sport Premium Received: £13,409

Below is a breakdown of how this money is being spent:

Item/project	Cost	Objective	Intended Outcome
Replace equipment	£500	Update the sports equipment so that teachers are fully and appropriately resourced when delivering the national curriculum and extra-curricular activities.	The PE curriculum is being delivered and teachers take full advantage of the resources available to them.
Gross motor skills equipment	£2995	To develop gross motor skills in the early years.	For the children to become more active, creating trails and pathways to climb and explore.
Replace/repair gym equipment	£345	Update the sports equipment so that teachers are fully and appropriately resourced when delivering the national curriculum and extra-curricular activities.	The PE curriculum is being delivered and teachers take full advantage of the resources available to them.
Sports Enrichment days	£3510	To introduce children to new types of sports and dance activity.	For children to be confident in trying new activities to encourage more pupils to take up sport and physical activities.
Lunchtime Netball Support	£930	To give children the opportunity to take part in sport during lunchtime.	Children supported in taking part in sport during lunchtimes.
Bell Boating	£30	To introduce children to a new type of sporting activity and water rescue. The school pays entry fees for the bell-boating regatta.	Children of Year 5 and 6 are exposed to a new sport allowing the school to have a team to compete in the area regatta.
Increase participation in competitive sport.	£250	•The school pays the subscription fees to South Warwickshire Primary Athletics •The school pays for transport to Level 2 school games competitions which have taken place during the school day.	Children have the opportunity to take part in a range of sporting competitions.
Increase confidence, knowledge and skills of all staff in teaching PE and sport	£3600	•Specialist PE teacher employed 4 hours per week to work alongside our EYFS, KS1 and KS2 teachers and teaching assistants. •Swimming coach to support newly appointed class teachers to deliver national curriculum swimming curriculum.	Staff to report that they have better subject knowledge and feel more confident to teach PE and Sport effectively. Pupils enjoy PE and are keen to take part in PE sessions. Class teachers gain a much better understanding of effective swimming provision and how to teach for progression in key skills.
Total Spend	£12,160
